Notes/Comments: This plan is an example of what a four year plan could look like for a typical student. Placement exam scores in math as well as the completion of coursework may change the plan. It should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor each semester to discuss course scheduling. All requirements are subject to change by NIU. Art History majors who are pursuing a degree with honors should consult with the undergraduate coordinator or chair of the art history division. Students must maintain a 3.40 GPA in all of their art history courses and complete their Foreign Language requirements in French or German with a 3.0 GPA and completion of the senior thesis. For more details consult the department or refer to the undergraduate catalog.
